June 2020 Volume 19

## Message from Managing Director

**Even** in these extraordinary times, manroland Goss has remained actively engaged with its customers around the world.

**During lockdown** manrolandGoss India introduced the new Printcom Stores for maintaining your presses at all times. In these tough situation we ease out your efforts to run your press. Buy your consumables online. [www.manrolandgossindia.com](http://www.manrolandgossindia.com)

**Inseparable and unstoppable** in times of Corona! Our Cuban customer Enrique Núñez Rodríguez Poligráfico shows his fullest physical commitment. Before Corona quarantine began, the customer's technical team preferred to move its residence directly to the printing plant so the production of the local Granma newspaper on the UNISSET would go on. What an impressive commitment from a loyal customer of manroland Goss web systems GmbH!

**Unstoppable!**

not even a  
**corona**  
**quarantine**  
can stop our  
printing presses!
