December 2021

Message from Sudeep Bhattacharjee
Managing Director

Best wishes

The past year was marked by many unforeseen challenges. Nevertheless, we reached for new, exciting opportunities and are moving forward with confidence in future.

We thank you for your support, cooperation and appreciate your trust! Wish you, your families and your employees great success, happiness and above all health in 2022.

The media group Le Télégramme, based in Morlaix - Brittany (France), has decided in favour of the COLORMAN e:line with its comprehensive automation equipment "autoprint" and placed an order with manroland Goss for two 64-page tabloid presses.

WAN IFRA Printer's Summit 2021- WAN-IFRA's annual event in India for the print community was held in a new format this year as 'invitation-only' event on 17-18 November in Chennai, manrolandGoss India sponsored the two day event and displayed our wide portfolio of offset press, services and press consumables.

Relocation of Komori at Kala Jyothi, Hyderabad: manrolandgoss India was assigned to shift KOMORI 38S from its current location to another printing facility. The Indian Service Team with its expertise at handling relocation projects managed the mechanical reinstallation and commissioning of the press in less than a month. The press is under production at full speed.
