

FROM MD'S DESK

manrolandGoss successfully completed the project of dismantling and Installation of four Hiline Presses for LOK PRAKASHAN LIMITED, Ahmedabad.

The project started in August last year. The press lines were dismantled from Mumbai and relocated to Ahmedabad.

Altogether, there were 29 towers and 5 folders. The mechanical and electrical dismantling was completed in four months.

The complete installation of all four presses took a record time of 6 months.

AFTER TWO SUCCESSFUL PRESS RELOCATIONS, EGYPTIAN PUBLISHING AND MEDIA GROUP NAHDET MISR PUBLISHING GROUP (NAHDET MISR), THE BOOKPRINTING SPECIALIST HAS DECIDED TO GO A STEP AHEAD WITH MANROLAND GOSS' S MAINTENANCE AND SERVICE. PACKAGE.

manroland|GOSS
