We have successfully completed the reinstallation of a pre owned GOSS Magnum. The press with configuration -1T+IRS+F has been installed in Andhra Pradesh

Our Service Team has been part of a challenging project which involved removal of dryer and repositioning of print units, converting the heat set press to coldest and enabling the customer to cater to the burgeoning need of book printing

From MD's Desk

manroland Goss, a prominent leader in web offset printing solutions, is set to showcase the cutting-edge VARIOMAN for packaging printing at the upcoming Drupa. We would also be presenting Engineering upgrades done around the Globe and productivity enhancement through MAINTELLISENSE.

We welcome you to visit us at Stand F02 in Hall 16.
