From MD's Desk

"WE ARE PRINT. WE ARE WEB OFFSET. WE ARE MORE."

World Association
of News Publishers

At the WAN-IFRA's Indian Printers Summit held in Hyderabad on 23rd & 24th Sept, our MD made a presentation on "Transformation of Web offset ...from legacy printing to new applications" It was voted as the best presentation and intrigued newspaper companies to explore ways to utilise their current assets!

manrolandGoss India participated in the 11th SPECIALTY FILMS & FLEXIBLE PACKAGING GLOBAL SUMMIT 2024, one of the largest flexible packaging business summit which was held from 30 September to 1 Oct 2024 at the Reliance Jio World Convention Centre in Mumbai.

Service

Installation of two highly automated COLORMAN e-line presses which will supply the newsprint market in South Korea begins. The South Korean Hankyung Media Group, which prints "The Korea Economic Daily" invested in a comprehensive newspaper printing project with manroland Goss. The long established media company opted for the highest print quality, the fastest production speeds, and state of the art automation.

Service Team from manrolandGoss India are part of this prestigious project

MARKET-X

Frau Furtmayr, wie sind Sie bei der Ausgestaltung der neuen Preisstruktur vorgegangen und warum war so eine Änderung überhaupt notwendig?

X Name

Market-oriented and transparent. The new manroland Goss spare parts prices are live. Vice President Aftermarket Sales, Veronika Furtmayr explains in an interview how the price change came about.
